My50 Corporate Package

Monthly Travel Pass For Your Organisation

Empower your employees with unlimited rides across Rapid KL's rail and bus networks, saving costs while supporting a greener commute.

Organisations can sponsor or co-fund monthly passes for their teams, promoting punctuality, productivity and ESG goals by reducing carbon emissions and encouraging sustainable travel habits.

For Malaysians.

A Smarter, Simpler Way To Support Daily Travel

The My50 Corporate Programme makes commuting affordable and hassle-free for organisations.

With a fixed RM50 monthly pass, employees enjoy unlimited Rapid KL travel and predictable journey times, while your organisation champions greener mobility and reduced carbon emissions.

Benefits for your organisation:

- Lower travel costs
- Simplify payroll processes
- Promote sustainability

Benefits for Employees:

- Unlimited rides for just RM50/month
- Stress-free, congestion-free commutes

Travel Smart, Save More

Category	Traditional Allowance	With My50 Corporate
Work and Travel Expenses	A typical commuter can easily spend **RM200–RM400+** depending on distance, tolls and parking availability.	**Fixed RM50/per month** for unlimited rides on public transportation.

Category	Traditional Allowance	With My50 Corporate
Average Travel Time	Driving often takes **30–45 minutes** one way, longer during peak congestion.	Public transport commute times are generally **more predictable.**
Claims and Administrative Processes	Requires employees to submit claims with multiple entries and supporting documents.	One monthly pass.
Carbon Impact	Private car usage generates higher carbon emissions.	Use of public transportation reduces carbon footprint.
